

BIENNIAL CONVENTION DELEGATE UPDATE 4

SOLIDARITY SESSIONS

It is not often that nearly 500 union activists get together in one place to plan, organize, strategize, discuss, and learn.

To ensure we are getting the most of this opportunity, and based on feedback from a delegates survey, the Convention Organizing Committee has been working with various NAPE Committee Chairs to host some additional sessions during breaks. These are not mandatory.

We are very excited about these additional sessions. Details will be provided at the Convention.

The Solidarity Sessions are:

- 2SLGBTQIA+ Session
- Anti-racism Session
- Women's Session
- Young Workers' Session
- Membership Mobilization – Engaging and Activating Members
- Worker Health And Safety Advocacy 101

SPECIAL REQUEST

PHOTOS / HEAD SHOTS / TESTIMONIALS

We will be taking professional head-shots , still photos, and some video during convention.

We would really appreciate if you could bring one change of clothes/uniform/scrubs/outfit/vest/etc... that you normally wear to work with you to convention. But you don't have to bring your work outfit - either way, you can get a professional head shot or small group shot done at no charge.

We will send you electronic copies of the professional photos for your personal use after - free of charge.

We have almost 500 NAPE members from a large variety of workplaces and classifications all in one place and we want to take advantage of this opportunity.

We will also be doing some short videos for delegates to share their union stories.

We have done this in the past and it has gone over very well for all involved.
